

Buddhi Sports Fest Highlights!

What an incredible week of fun, competition, and teamwork at Buddhi's Sports Fest! From Carrom to Table Tennis, obstacle courses to dribbling challenges, our juniors and seniors gave it their all!

Day 1: The Carrom tournament was a nail-biter! The crowd watched intently as Samved claimed 1st place in the juniors, with Jerome and Sragvi taking 2nd and 3rd. In the senior round, Mira emerged as the champion, with Pranav and Maneesh securing 2nd and 3rd places!

Day 2: The obstacle course was a showstopper, with Advika stealing the spotlight in the junior category with her lightning-fast splits and agility! Tamarah and Tapasya took 1st place in their respective age groups. The seniors took on the challenge of dribbling two basketballs simultaneously, while juniors dribbled one, showing off their impressive skills!

Day 4: We spent the day at XLR8 with a series of exciting games, including Football and Swimming, filled with loads of cheering and healthy competition. The spirit of sportsmanship was high, and everyone gave their best effort!

Day 5: Our Early Learners had their own sports day, and it was beyond adorable! Parents joined in the fun, guided by their little ones through obstacle courses and a range of fun activities. The joy and laughter shared between parents and children made it an unforgettable day!

A huge thanks to Manjunath Sir, our sports coach, and the amazing parents, teachers, and students who made this event a success! From fierce competition to friendly cheers, the Buddhi community came together for an unforgettable sports fest.

We couldn't be more proud of everyone who participated—because in the end, it's all about having fun and giving your best!
